[THE HIP FAMILY]

THE SAUNDERS FAMILY

●●● BAMBİ, RUDY'S BARBERSHOP STYLIST;
BRENT, BASSIST FOR POST STARDOM DEPRESSION AND
OWNER OF PEBCO PAINTING; AND SON JUDE

WHY WE LOVE IT: The Saunderses give the straightforward Seattle jeans and T-shirt uniform an in-the-know upgrade. Expectant mom Bambi makes her family's everyday outfits fresh and noticeable by pairing classic staples with on-trend accessories. It's all about putting the right pieces together. Skinny maternity jeans with Frye boots and chunky Jamie Joseph ring for Bambi? Brilliant. Levis, Chuck Taylors and eye-catching eyewear for Brent? Neat. Bargain designer duds from resale children's shops and toddler ties for Jude? Adorable!

THE LOOK: On Brent: skinny Levi's 511 jeans, from **Levi's** downtown; black Converse Chuck Taylors, from **The Sneakery**, Ballard; vintage leather jacket, from **Red Light**, Capitol Hill; black Prada eyeglass frames, from **Nordstrom**. On Jude: second-hand boys' Levi's, from **Rising Stars**, Greenwood; black cotton Kiss T-shirt, from **Boston Street**, Pike Place Market; velvet Cherokee blazer, from **Value Village**; red Converse Chuck Taylor sneakers, from **The Sneakery**. On Bambi: cognac Frye boots, from **Nordstrom**; Kimberly Baker Ariel necklace, from **Kimberly Baker Studio**, Fremont; Maternal America skinny maternity jean, from **Village Maternity**, University Village.
